#### **DAINFERN SECURITY UPGRADE**

Following last week's Newsletter, ongoing meetings have been held between the DHA, Cillion Consulting Engineers and Jasco Security Systems. It is envisaged that civil works in relation to this project will commence on Monday 11 June 2012 at the Broadacres Gate.

The affected lane will be cordoned off and security staff will be placed at the Gate to assist with the flow of traffic during the installation of the civil works process.

## **CITY OF JOHANNESBURG STATEMENTS AND ELECTRICITY METERS IN DAINFERN**

At last there is progress with the inspection of and replacement of damaged and broken electricity meters. The contractor certified by the City of Johannesburg has obtained permission from City of Johannesburg to, in a controlled process, start attending to broken and damaged meters. At the same time the electricity meters at properties of residents who have sold their properties and are battling to get clearance certificates will also be inspected and verified - that is those properties have been reported. This process should also assist in the affected properties having their meter readings recorded, and hopefully successfully captured by the City of Johannesburg.

It is noted that a number of Dainfern residents have in the last weeks reported that their electricity statements suddenly reflected an actual meter reading, on which the latest consumption was based, and, in several cases, consumption for a longer period was recalculated. But, unfortunately many of those supposed actual readings were incorrect, based on an unknown meter reading - a supposed actual meter reading of unknown origin that in fact exceeded the meter reading the resident personally verified on the meter installed on the property.

All Dainfern residents are urged to make use of this opportunity to report:

1. All electricity meters of which the reading display does not work;
2. All electricity meters that are known to be not functioning;
3. All electricity meters that have in the past two years been bypassed by City of Johannesburg contractors instead of being replaced.

In fact, we urge residents to on a regular basis personally read the meter reading on the City of Johannesburg electricity meter to verify and compare both the meter serial number and the current cumulative meter reading. The fact is most of us are not at home during working hours, and with the meters being installed outside our properties or at the front of the property we will usually not even be aware if a contractor worked on, fixed or even replaced the installed electricity meter. It is only prudent to personally verify the meter serial number and reading occasionally, if not regularly.

Please also check your monthly City of Johannesburg statements, and please contact us if:

1. Your statement reflects estimated readings, especially if for several months in a row;
2. Your statement reflects meter serial number or numbers different to the meter actually installed in the City of Johannesburg meter box on your property;
3. Your statement reflects a meter reading substantially different to the current meter reading on the installed electricity meter.

Lastly, please contact us to advise us should:

1. Your property have been sold, and you are battling to get the transfer process completed due to problems obtaining a clearance certificate or a closing meter reading;
2. Your property is on the market, and your electricity statement do not every month reflect a actual meter reading, as you will experience difficulty in obtaining a clearance certificate if the problem is not resolved in time

Ideally we would have preferred the City of Johannesburg contractor inspecting every Dainfern property to verify the installed electricity meter, but unfortunately that is currently not possible. We are however thankful that there is at last, even if in a limited way, some progress on the electricity meter issue in Dainfern.

Should you have any enquiry as to the above please contact Laura Powell on 011 875 0492 or e-mail [laura@dainfern.co.za](mailto:laura@dainfern.co.za) and she will provide the contact information for the onward transmission of your query.

### **SPORTS AND RECREATION UPDATE**

#### **DAINFERN FOOTBALL**

After another successful weekend we hope you have been enjoying the football as much as we have. Our results to date have been excellent with the under 9 and under 10 teams leading the pack. There's nothing like winning!!!

#### **ADOPT-A-PLAYER**

We have now had two offers of sponsorship for our Adopt-A-Player initiative. We still have a number of players who are unable to afford their subscription fees and urge all members who are in a position to assist to contribute towards this worthy cause. Remember, contributions can be for the full subscription fee for a particular child, or a portion. Any assistance will go a long way towards enabling these players to participate in the sport they love.

#### **CLUB ADMIN**

Every member should be receiving a "Match Alert" as well as a Dainfern Football Club Newsletter every week. Please contact Mike Waldron on 082 373 6889 or [football@dainfern.co.za](mailto:football@dainfern.co.za) if you are not receiving them. Please note that Coach Gary Avnit has a new e-mail address: [football-goalie@dainfern.co.za](mailto:football-goalie@dainfern.co.za)

#### **GOODBYE**

A number of members are or will be leaving us for distant shores in the near future. The Committee and coaching staff wish you all bon voyage and lots of happiness and success in the future. Although we are losing some lovely and talented people, we are grateful for having had the privilege of knowing you, if only for a short time. You leave us with fond memories as we hope you will have of us.

## RESULTS

Our under 9 team participated in a tournament at Linhill Celtic where they excelled yet again. They won 4 out of 5 games losing only to Florida Albion 2 – 0. They beat Old Parks 1 – 0, Lenasia Wolves 5 – 0, Crusaders 1 – 0 and Mondeor 2 – 1. Goal scorers were Tapiwa Mushongo (5), Kyle Jeans (2) and Jordan Kreser (2). This team is hot!!!

The under 10 team extended their unbeaten record to four with a great 6 – 0 win against Michael Mount. A hat trick each by Declan Burgess and Tomas Mackintosh and a clean sheet for Matthew Pretorius with a tremendous performance in goals took care of the opposition. Man of the match was Matthew Pretorius. It looks like it is going to take something special to beat this team.

Coach Shawn Ndlovu's under 14's thrashed Randburg 6 – 1 at home. A goal each from Lucas Debarbieri, Alex, Luiz Oliviera, Rahoul Desai and 2 from Christopher Adams took care of our neighbours.

Our senior team notched up its first win away from home with a convincing 4 – 1 win over Linhill Celtic. The goals were scored by the coach, Tebogo Lesoalo (2) and captain Shawn Ndlovu (2). Shawn had himself a dream football weekend with wins by his under 9 and under 14 teams, the senior side as well as scoring 2 goals.

Notable performances in the Championship included a 4 – 4 draw between Free State Stars and Sundowns where Kesiah Kodilinye scored 2 beautiful goals (this little lady can play), and one each from Tadiwanashe Sithole and Aviv Vilker. Chiefs beat Pirates 4 – 3 in a close encounter.

The old men (Vets) also lost a close one 4 – 3 away to Balfour Park. Christo and the Rugaro brothers Harold and Blessing, getting one each.

For those of you who are going away, we wish you an enjoyable holiday. To the others, take care and ... Let's keep the ball rolling!
