NEWSLETTER 3110 7 JULY 2010

PICTURE OF THE WEEK

*You don't take a photograph. You ask, quietly, to borrow it. ~Author Unknown*

Congratulations to Karen Louw who is the winner of this week's Photo of the Week competition. Your voucher for Breakfast for two will be delivered to your home.

We are fortunate to live in a spectacular Estate that has a wide variety of natural landscapes that will make stunning photographs. You just have to be in the right place at the right time, with your camera of course. Your photos should be 800 x 600 pixels and we prefer that the photographs are taken in a landscape format rather than a portrait format to fit in with the Newsletter.

## MONTHLY LEVY PAYMENTS

Currently about 75% of homeowners are paying levies by making use of debit order facilities which facilitates the timeous payment of levies. Approximately 25% of those not making use of the debit order facility are not settling their accounts on time.

We remind those not settling their levies by the 7TH of the month that, in the absence of an acceptable arrangement having been made with The DHA, all privileges accorded to you by both the DHA and DCC will be suspended. This will include the suspending of all access cards related to the property. Access cards will only be re-instated once full payment has been received by Debby Douglas at the account department. This procedure will be implemented from 1 July 2010.

Please confirm with the accounts department that your contact details are correct. We cannot be held liable if you do not receive your statement when your details have not been updated with the DHA.
