PICTURE OF THE WEEK

*Often while traveling with a camera we arrive just as the sun slips over the horizon of a moment, too late to expose film, only time enough to expose our hearts.
~Minor White*

SECURITY REGISTRATION PROCESS

As part of the Security Upgrade we inform Residents that we shall be commencing the re-registration of all residents and those holding access cards from Monday 11 July 2011. It is anticipated that this process will take five to six weeks.

The intention is to replace the current access card system with a bio metric access control system, although access cards may be issued in certain circumstances. Further details will be communicated to Residents.

SECURITY

With tomorrow being a public holiday, many Residents will be taking a "long weekend" and going away. Please ensure that you leave your residences properly secured and exercise caution on the roads and come back refreshed. We take the opportunity of wishing all Residents well.

REMINDER - SEWER PUMP UPGRADE

Joburg Water shall be undertaking repairs to the sewer pump station commencing 16 June 2011. These repairs are to remove silt and repair a leak and will probably continue for the period 16 to 18 June 2011. Joburg Water has requested that we inform residents that the shut down of the pump station will probably cause the sewer

manholes to discharge sewerage. They have requested that residents utilize toilet and washing facilities sparingly over this period in an effort not to exacerbate the discharge of sewer. The alternative would be to close off the water mains over this period, however we have persuaded Joburg Water not to so.

ESTATE UPDATE

LOST AND FOUND

The two puppies reported in last week's Newsletter have been happily reunited with their owner. Their owner had been away from the Estate but had made arrangements for the puppies to be fed and looked after daily. It was heartwarming to see how many caring and concerned Residents we have on the Estate.

We appeal to residents who are leaving the Estate for an extended period to make adequate arrangements for the care and housing of your pets. There are fantastic kennel facilities within short distances of the Estate and this is the preferred care and housing method for pets (especially dogs) who are insecure and anxious when being left at a home on their own with someone visiting once or twice daily to feed and exercise them. This will also cause the animals to bark and howl constantly throughout the day which is extremely difficult (and irritating) for neighbours to deal with on a consistent and daily basis.

GOLF UPDATE

The best six doctors anywhere; And no one can deny it; Are sunshine, water, rest, and air; Exercise and diet. These six will gladly you attend; If only you are willing; Your mind they'll ease; Your will they'll mend; And charge you not a shilling.

~Nursery rhyme quoted by Wayne Fields, What the River Knows, 1990

Good luck to some of the younger members of the Dainfern Running club who will be in Cape Town this weekend representing Central Gauteng in the SA Duathlon Champs. MY NANNY AND ME

Stimulation through play - Is your child getting the right stimulation at home? My Nanny and Me has been running successfully within the estate for over 2 years and has grown in leaps and bounds. The benefit to the residents and their nannies has been phenomenal so much so that they have introduced an additional class geared towards infants.

The two programs are run from the Pavilion and Clubhouse for nannies and toddlers aged between 10 months and 4 years. The program is designed around the 50 core competencies that are key to academic and sporting performance as well as school readiness. Whilst the program is highly stimulating it is also extremely fun and creative as these competencies are achieved through various forms of play. The program includes the following activity types:

- Brain Games
- Messy Play
- Arts and crafts
- Mini Chefs
- Movement with music
- Obstacles

The nannies are continuously encouraged to stimulate the toddlers both in and out of the class through additional weekly activities for the home thus providing them with the means to be more hands on in the child's development. This ensures that your toddler reaches his or her maximum potential by building on both the child's strengths

and weaknesses. Please contact Faye on 083 607 4530 or info@mynannyandme.co.za (www.mynannyandme.co.za) to find out more about the exciting classes or to join us for a free trail class.

“The team at “My Nanny & me” are a professional, focused, motivated, talented group of people that really love and care for the children. No matter what your particular childcare needs are, they will endeavor, without any trouble, to meet them. “A home from home” for my daughter and her nanny. I feel 100% at ease knowing my daughter is in their care and Lungile always has funny stories to tell about their day.”

“What is really great about the school is that your nanny will be taught how to stimulate your child through fine motor activities, cognitive activities and gross motor activities. For me that’s an absolute win!!!!”

WINTER “SPRING” WELLNESS WEIGHT LOSS CHALLENGE

Come and join us in the Dainfern Winter SPRING Wellness Challenge. Week One is under way on either a Monday at 5.30pm or a Wednesday at 11am. OUTREACH PARTNERS

You give but little when you give of your possessions. It is when you give of yourself that you truly give. ~Kahlil Gibran, The Prophet

We are heading into Winter soon and by all accounts it seems as if it is going to be a chilly one. Time to start clearing out your wardrobes, and that of your children, for the Winter clothes. Please remember the patients of the Vuselela Drop In Centre and their children, when wondering what to do with the clothes that no longer fit! Bring them to the Clubhouse and we will send the clothing to Vuselela to ensure that they are put to good use and by people who really need the help! Thank you for your generosity.
